Internal Newsletter

Some Important Dates!

Hello Everyone! Happy Spring! Welcome to our April Internal Newsletter.

Our main focus for this month is completing our **Fire Door Training!** Looking ahead, we have **up-and-coming training on May 10th.** We also want to focus on receiving more **Google reviews.** Reviews will help position our company to look more credible for our hard work and dedication to serving customers' needs! These reviews will help more traction to our website which will ultimately lead to more business. ⚙️

Try to recommend our clients to leave Google reviews on their experience with us! **We also will be updating our website with more information, blogs, and before and after shots!** Keep sending content!

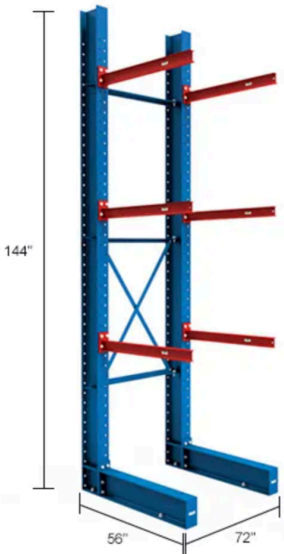

Looking Ahead!

This upcoming week, we will be installing **Cantilever Racks** in our warehouse! These Cantilever racks will help organize our warehouse and make it look more put together. This picture to the *right* is an idea of what they will look like.

Additionally, **Happy Easter** to our amazing team! We are happy you're apart of the CMHIS team.

Stay tuned for more upcoming events and news.

Breaking News: Our crew member, Josey, stunned us all the other day when he reeled in a colossal catfish that seemed to defy belief. Great Catch, Josey! Looking fly with your CMHIS hat too!
